FACTORY NEW

Tuttnauer CSU1 / CSU1H Ultrasonic Cleaning System, 1 Gallon Size – New. This system is built with only the highest-quality parts. It gives off 60 kHz of quiet cleaning power, which is gentle on instruments but still clears all surface buildup.

In addition, its modern look and quiet operation fit well in any office setting. The 1-gallon tank holds a standard selection of instruments or 2 half-size cassettes. Meanwhile, the CSU1H model adds a built-in heater to boost cleaning power even further.

Both models come with a durable, easy-to-clean housing that resists scratches. As a result, this system stays reliable through daily use.
