

Tuttnauer CSU1H Ultrasonic Cleaner with Heater

Stock Photo - Options May Vary

FACTORY NEW

Tuttnauer CSU1H Ultrasonic Cleaner with Heater. Clean & Simple Ultrasonic Cleaning Systems with Heaters are manufactured with only the highest quality components. Additionally, these machines provide 60 kHz of quiet cleaning power, which is less aggressive to instruments while still removing all surface contamination.

Additionally, the CSU1H features a contemporary design and quiet operation, complementing any office environment. Clean & Simple Ultrasonic Systems come in two sizes with a full range of accessories to meet your specific needs. Moreover, the 1-gallon system (shown) holds a standard selection of instruments or 2 half-size cassettes.

Do you have questions?
