Winco XL Cozy Comfort Premier Recliner | 5670

Stock Photo – Options May Vary

FACTORY NEW

Winco XL Cozy Comfort Premier Recliner: 5670. Winco's new 5670 is an XL version of the 5580 room chair, offering a broader seat and higher weight capacity.

It retains the beauty and practicality of the urethane armchair while providing larger patients with dignity and unmatched comfort. Features include suitability for patient rooms, waiting areas, homes, or anywhere a stylish, comfortable, and durable chair is needed.

T includes dual side tables and fixed feet instead of casters. Additionally, standard black armrests are made of soft, durable urethane, or choose from two available wood armrest options in different widths.

FEATURES

- Standard Black Urethane Arms are made of soft, durable Urethane
- Choice of optional armrests in 2 different widths of beautifully contoured wood arms
- 3-position recliner
- Wider Seat
- Higher Weight Capacity

SPECIFICATIONS

- Weight: 112 lbs.
- Maximum height: 47 in.
- Width: 32 in.
- Upright Depth: 39 in.
- Seat Height: 20.5 in.
