FACTORY NEW

Winco 5001 Augustine Treatment Recliner. We believe the Augustine Treatment Recliner can make a difference in patient care.

The Augustine was developed to be 100% patient-centric, to be comfortable, and to help put the patient at ease. The result is an attractive, inviting, clinically preferred recliner with unique solutions for enhanced clinical utility. In addition, Winco has many available options to customize the Augustine to fit all your needs.

The 5001 Augustine Treatment Recliner Features: Enhanced 75° range of motion for optimum, patient-selectable positioning. Augustine's spacious seat creates personal space and luxurious comfort and has unmatched stability and thoughtful features to ease chair movement and cleaning.
