Winco Deluxe Gas Lift Stool without Back | 4400

Stock Photo – Options May Vary

FACTORY NEW

Winco Deluxe Gas Lift Stool without Back: 4400. Winco's gas lift adjustable stools offer the best versatility and value for your seating needs. Color coordinate your facility with a variety of vinyl options.

Effortless fingertip "One Touch" height adjustment. Clean contemporary design. Comfortable, high-density foam covered with high-grade, durable vinyl.

Additional 4400 Features: The 4400 is identical to Winco's 4300 model, except it has a Polished Aluminum Base and a 17.75″ – 23″ height range. The 3″ high-density foam padded seat provided outstanding comfort, a smooth operating gas lift, and a rugged five-legged "star" base with 2″ twin-wheeled casters for easy mobility.

FEATURES

- Effortless fingertip height adjustment
- Clean contemporary design
- Upholstered in heavy gauge expanded vinyl
- Polished aluminum base
- Rugged five-legged "star" base
