

Winco Extra Large Elite Medical / Oncology / Dialysis Care Recliner | 6910

FACTORY NEW

The Winco 6910 Extra Large Elite CareCliner is designed with attention to detail and concern for comfort and quality. The chair features an extra-wide 25-inch seat and Winco's unique wideband suspension system that cradles each patient in individualized comfort.

Smooth, seamless upholstery resists fluid collection and cleans easily, with an infinitely adjustable back. The leg rest extends automatically and offers three user-selectable positions. Non-porous blow-molded fold-down side trays come standard on both sides.

The chair includes a standard Trendelenburg release with handles accessible from either side, combining comfort, durability, and value in a clinical-grade recliner.
