FACTORY NEW

Winco Model 6530 Care Cliner. Outstanding Value and Quality in Our Standard CareCliner. A lower price does not mean lower quality when you buy a Winco CareCliner. Our standard CareCliner comes with all the superior features you might find on higher-priced clinical chairs.

The Winco 6530 CareCliner is our basic workhorse in the clinical recliner line. Winco CareCliner Features: Winco's 6530 CareCliner features non-porous fold-down side trays, a Trendelenburg release, an ergonomic headrest, and an elastic suspension system. The welded powder-coated steel frame ensures durability and comfort.

Ideal for dialysis, oncology, and acute care settings, the frame includes a 5-year warranty. The elastic open seat base enhances comfort.
