Winco Privess Basic 3 Panel Privacy Screen | 3130

Stock Photo – Options May Vary

FACTORY NEW

Winco Privess Basic 3 Panel Privacy Screen: 3130. For healthcare, disaster relief, and education professionals who need a sturdy metal screen that can easily move to protect patient privacy. The Privess™ Basic is a cost-effective, durable steel 3-panel screen with a durable steel 3-panel design, casters for mobility, and crutch tips for stationary use.

The Privess 3130 Features: Unlike aluminum competitors, the Privess™ Basic 3-Panel Privacy Screen offers portable, high-quality steel-framed privacy protection at a great price. Winco's Privess Basic 3-Panel Privacy Screen includes casters, crutch tips, and a high-strength powder-coated steel frame. Lightweight panels are hinged with flame-retardant 6-mil vinyl.

It easily converts from casters using the furnished crutch tips.
