**FACTORY NEW**

Winco Privess Basic 3 Panel Privacy Screen: 3139. Healthcare, disaster relief, and education professionals require a sturdy metal screen that can easily be moved to protect patient privacy. The Privess™ Basic is a cost-effective, durable steel 3-panel screen with a durable steel 3-panel design, casters for mobility, and crutch tips for stationary use.

The Privess 3139 Features: Unlike similar style aluminum competitors, the Privess™ Basic 3-Panel Privacy screen offers portable, high-quality steel-framed privacy protection in a value-priced package. Winco's Privess Basic 3-Panel Steel Frame Folding Privacy Screen comes with casters and crutch tips—a high-strength powder-coated steel frame. Lightweight panels are hinged.
