Stock Photo – Options May Vary

FACTORY NEW
Winco Privess™ Elite Designer Privacy 3 Panel Screen: 3170.
Privess™ Elite Designer Privacy Screen: model 3170.

This is for quality and style-minded users who need attractive, décor-matched, stable, fixed, or portable quality patient privacy solutions. Privess™ Elite is a high-quality screen featuring: Durable steel construction and Quality designer-grade vinyl colors to enhance any décor.

Winco's Privess™ Elite Also Features Casters for mobility or crutch tips for stationary use. In addition, Privess™ Elite construction showcases significantly upgraded durability and flexibility, unlike imported unstable lightweight construction with only a thin sheet vinyl.

FEATURES

- Solid commercial-grade Antimicrobial / Antibacterial vinyl panels
- Vinyl panels are opaque, unlike low-cost divider screens
- Colors will coordinate with other furnishings and décor in the facility
- Aesthetically pleasing
- Durable square and round powder-coated tubing
