Winco Privess™ Modular 3 Panel Privacy Screen | 3730

Stock Photo – Options May Vary

FACTORY NEW

Winco Privess™ Modular 3-Panel Privacy Screen: 3730. The Privess™ Modular privacy screen's unique snap-together design offers a 360-degree swivel and infinite connectivity. Its flexible, lightweight design is perfect for rapid deployment and temporary use situations.

The screen's compact storage footprint makes it easy to store when not in use. The modular design allows for easy customization and adjustment to fit various needs in healthcare, education, or disaster relief settings. It ensures patient privacy while offering durability, convenience, and quick setup.

The high-quality materials provide long-lasting performance even in high-traffic environments.

FEATURES

- The unique quick-clip panel connector system
- Unlimited configurations
- Easy to clean smooth vinyl panels
- Standard white vinyl
