

Winco Privess™ Modular 4 Panel Privacy Screen | 3740

Stock Photo - Options May Vary

FACTORY NEW

The Winco Privess™ Modular 4-Panel Privacy Screen features a unique snap-together design with 360-degree swivel capability and infinite connectivity options. Its flexible, lightweight construction enables rapid deployment and temporary use in various settings, while the compact storage footprint allows for easy storage when not in use.

The modular design accommodates customization to meet diverse space requirements across healthcare, education, and disaster relief applications. Durable construction ensures long-lasting reliability in high-traffic environments, and the screens are simple to set up and adjust for reliable privacy protection.

FEATURES

- A unique quick-clip panel connector system
- Unlimited configurations
- Easy to clean smooth vinyl panels
- Standard white vinyl
