Winco Verō Series 6 Care Cliner ™ w/Trend, Swing Arm & 5” Casters | 6Y40

Stock Photo – Options May Vary

FACTORY NEW

Winco Verō Series 6 Care Cliner ™ – 6Y40. Introducing the NEW Verō Care Cliner Collection Designed by Winco, built by you.

That’s just smart. Verō Care Cliner 6 Series – Trendelenburg: Winco introduces “Secure-Glide™” Trendelenburg control. Exclusive to the Verō 6 Series, Secure-Glide™ provides gentle patient positioning while preventing clinician strain.

The controlled descent helps eliminate any need, or natural reflex, to strain to control the rapid patient positioning in emergencies. The Verō recliner’s modular design helps the clinician choose a configuration that is perfectly suited to their specific needs.
