Zimmer ATS 3000 Tourniquet System – Refurbished

Stock Photo – Options May Vary

FULLY REFURBISHED · CLINICALLY CERTIFIED

Zimmer ATS 3000 Tourniquet System – Refurbished. This versatile tourniquet system includes dual ports and cuffs, offering flexibility for a variety of surgical procedures. Equipped with advanced microprocessor controls, it delivers precise pressure management to ensure patient safety and reliable performance.

The fully refurbished ATS 3000 includes a 6-month warranty, offering great value and peace of mind for healthcare providers. In addition, the Zimmer ATS 3000 features audible and visual alarms that activate when an unsafe condition is detected, helping to prevent complications.

It also performs a self-check calibration each time the system powers on, ensuring accurate and consistent operation throughout every procedure.
