Skytron 6500 Elite Surgical Table – Refurbished

Stock Photo – Options May Vary

FULLY REFURBISHED · CLINICALLY CERTIFIED
Skytron 6500 Elite Operating Table – Refurbished. The Skytron 6500 Elite is a refurbished surgical table with a 500 lb weight capacity in the standard operating position.

Additionally, features include wired hand control, 180º tabletop rotation, hydro-electric brakes, and C-Arm compatibility. Furthermore, the 6500 also comes with North American Side Rails, which fit most accessories, making it ideal for plastic surgery, orthopedics, general surgery, and more.

Moreover, the table utilizes a wired hand control, by which you can adjust the elevation, leg section, lateral tilt, Trendelenburg and reverse Trendelenburg, and backrest. As a result, surgical teams can adjust positioning quickly during procedures.

FEATURES

- C-Arm Compatible Table Top
