Amsco 2080L Surgery Table – Refurbished

Stock Photo – Options May Vary

FULLY REFURBISHED · CLINICALLY CERTIFIED

Amsco 2080L Surgery Table – Refurbished. This electric surgical table is a multi-purpose electric operating table. The 2080L has a 300 lbs weight capacity and an adjustable headrest.

Additionally, the table is operated via electric operation (levers) and foot pedals. Furthermore, this 2080L comes with new pads, new labels, and a full, careful refurbishing process. As a result, this table is easy to use and ready for daily OR work.

Overall, it offers a simple, reliable choice for many surgical settings.
