Skytron 6500 HD Hercules Operating Table – Refurbished

Stock Photo – Options May Vary

FULLY REFURBISHED · CLINICALLY CERTIFIED

Skytron 6500 HD Hercules Operating Table – Refurbished. The Skytron 6500 HD Hercules Refurbished Operating Table is a modern surgical table with an 850 lbs weight capacity (in normal position).

Furthermore, features include wired hand control, 180º tabletop rotation, hydro-electric brakes, and C-Arm compatibility. Additionally, the 6500HD comes with North American Side Rails that fit most accessories, making it ideal for plastic surgery, orthopedics, general surgery, and many more.

In addition, you may detach the headrest from the 6500 HD and adjust it by pulling a lever underneath. Furthermore, the table is held in place securely by four feet that automatically engage when you use the hand control.
