Skytron 3602 UltraSlide Surgical Table – Refurbished

Stock Photo – Options May Vary

FULLY REFURBISHED · CLINICALLY CERTIFIED

Skytron 3602 UltraSlide Surgical Table – Refurbished. The Skytron 3602 UltraSlide Refurbished Operating Table boasts an impressive 23″ top slide, which allows for easy imaging and positioning. Significantly, the 1,000 lb.

lift and 800 lb. articulation capacity are unaffected by the top slide, enabling your OR to handle a wider range of procedures with ease. Moreover, the Skytron 3602 features accessory side rails that support most surgical accessories, as well as a removable headrest and powered kidney bridge for added versatility.

Additionally, the 3602 has an internal rechargeable battery backup included.

FEATURES

- Wired Hand Control
- Internal Battery Backup (Rechargeable)
- Anatomically Correct Return to Level
- Anatomically Correct Beach Chair Position
- Slide Top Movement Capability
