Maquet Alphastar 1132.01 Surgery Table – Refurbished

Stock Photo – Options May Vary

FULLY REFURBISHED · CLINICALLY CERTIFIED

Maquet Alphastar 1132.01 Surgery Table – Refurbished. The Maquet Alphastar 1132 is an ultra-modern surgical table with a 500-lb weight capacity (in normal position).

Additionally, features include wired hand control, battery operation, automatic electric floor locks, and auto return to level (on hand control). Furthermore, these features work together to support precise, reliable positioning during procedures.

Furthermore, the table comes with new pads and has been rigorously and completely refurbished. Additionally, the Maquet Alphastar surgical table is a multi-purpose operating table and a great choice for almost any surgical setting.
