The Luvis S200 LED Surgical Lights are the perfect light for minor procedures and examinations in smaller spaces. The S200 provides a shadowless effect that offers less shadow even under a 50% screened condition as well as a fan-less structure that generates no heat or noise.

The S200 LED Operating Lights feature an adjustable size pattern of 18cm pattern for posterior and a 30cm for anterior regions.

The Luvis S200 surgical light can come in a single or dual head configuration.
