

Stryker SM104 Stretcher - Refurbished

Stock Photo – Options May Vary

The Stryker SM104 stretcher features mobility, simplicity, and versatility. Fully equipped and completely adaptable, the M-Series allows you to choose the mobility solution that best fits your needs. Supremely mobile and user-friendly, these stretchers greatly reduce the physical strain on clinicians without sacrificing patient care and comfort.

Additional features include: power-washable design with 700 lbs weight capacity, 4 integrated IV receptacles, litter-mounted O2 holder, and glide-away siderails.

The SM104 features all standard features plus fifth wheel steering: uses a retractable fifth wheel to provide superior maneuverability and cornering.

The Stryker SM104 stretcher comes completely refurbished with a comprehensive warranty and a new pad.
